

Friday 22<sup>nd</sup> October, 2021

Dear Parents and Carers,

Parent/Carer Views Questionnaire

We hope that you found the October 2021 Parent Teacher conversations a useful opportunity to find out more about how your child has settled back in to school this term and time to be able to discuss their next steps for the year to come.

At your previous face to face meetings we would have given you a parent views questionnaire to fill in while you waited for your appointment slot, with online meetings this year we are asking you to complete an online survey. Your views are so important to us as they confirm what we are doing well while also giving us a steer on things that we could develop.

By answering the questions in this survey we will be able to see what areas of strength we have as well as identify where we may need to put things in place to make improvements.

We would like to thank you in advance for your support.

[Please use this link to complete the survey](#)

Many thanks,

Debbie Morris  
 Deputy Headteacher  
 Hamstel Infant School and Nursery

We're working towards Artsmark  
 Awarded by Arts Council England
