

1st March 2022

Proposal to change the session times for morning only children at Hamstel Nursery as from 1st September 2022.

Dear Parent and Carer, member of the local community,

We are writing to inform you of the proposed change to the session times for 15 hour funded children at Hamstel Nursery. This will only affect the children attending a morning session.

The reason we are considering this change is to allow ease of change over times, pick up and drop off of children to our Nursery, which currently all coincide at 12.00 noon.

The school's existing sessions times are 9.00am to 12.00pm for 15 hour morning only children; this consultation is to invite comments on the proposal to amend the session time to 8.30am to 11.30am.

How to Respond

This will be a 4 week consultation period. Any person or organisation may object to, or comment on, the above related proposals by sending them to:

office@his.porticoacademytrust.co.uk

Please send your replies within 4 weeks of the date of publication of this Notice, namely by noon on 28th March 2022.

Publication Date: 1st March 2022
