

Dear Children,
I am writing this letter to you because there are a few things I would like you to know.

I am incredibly proud of you!

This last term has been very difficult and you have shown incredible resilience and strength. You have faced all the challenges with determination and have become stronger.

We are here for you!

You may be feeling a little worried but I want you to know we are here for you. I know you will want to see all your friends again and to learn and play and this we can do together by being sensible and following all that we are told to keep ourselves safe and well.

You are the future!

There will still be changes to how we were before at school, but I have every faith in every one of you being able to meet these challenges and move forwards together.

I am looking forward to seeing you all back in school very soon, school has been very strange without you. I look forward to hearing your lovely voices and seeing your lovely smiles once more. Whatever happens it will be another step in your journey, and one we can all work together to make successful.

Take great care and see you soon.

Mrs Clark 😊
